

Realm of dreams

Music & Lyrics: Lukas Lundh

Fade away to gray
Enter into fantasy
Vivid, colourful
Imaginary realm of dreams

Wonders of a world
beyond reality
Leave the conscious behind
and soon the adventures begin
beyond the void

Magical creature
Tell me where I'm heading
Is she out there?
Bring me clarity

Sailing through the mist
Finding port of ancient city
Shining runes of light
in the language of the mystics

Opening the gate
the beacon is glowing
In the center of the hall
the portal of wisdom
Give me wisdom!

Magical creature
Tell me where I'm heading
Is she out there?
Bring me clarity
